

Dear Parents,

Lowell Elementary is a school-wide, Title I school. This means we are able to use our Title I supplementary government funding for resources to benefit all of our students. Though much of what we do will affect our school and students grade K-5, Title I does have a focus in our primary grades. Research indicates early intervention is where we can make the greatest impact for the future of our students.

At Lowell, Title I funding may be used for, but is not limited to the following:

- Professional development for teachers to continuously improve their work with all children.
- Title I Teacher who works with teachers and students in classrooms to support and improve instruction for all students.
- Title 1 Teacher/Interventionist who works with students individually or in small groups in the area of reading.
- Parent Engagement Events (Family Literacy Night, Technology & Math Night).
- Parent Involvement opportunities and/or educational activities.
- Academic instructional materials.
- Academic summer learning opportunities.
- Additional activities to achieve the goals in our School Improvement Plan.

As a school-wide Title I building, we are required to share a Student-Parent-Teacher Compact (agreement) with each family at Lowell. This agreement serves as a reminder for all of us to continue to work together to encourage student learning. Please review this agreement with your child.

Please contact me, Mrs. Szuslik, the Title 1 teacher through the main office number with any questions or concerns that you may have (262-970-1905). Thank you for your continued support as we work together to ensure success for all of our students at Lowell.
