Dear Parents,

Lowell Elementary is a school-wide, Title I school. This means we are able to use our Title I supplementary government funding for resources to benefit all of our students. Though much of what we do will affect our school and students grade K-5, Title I does have a focus in our primary grades. Research indicates early intervention is where we can make the greatest impact for the future of our students.

At Lowell, Title I funding may be used for, but is not limited to the following:

- Professional development for teachers to continuously improve their work with all children.
- Title I Teacher who works with teachers and students in classrooms to support and improve instruction for all students.
- Title 1 Teacher/Interventionist who works with students individually or in small groups in the area of reading.
- Parent Engagement Events (Family Literacy Night, Technology & Math Night).
- Parent Involvement opportunities and/or educational activities.
- Academic instructional materials.
- Academic summer learning opportunities.
- Additional activities to achieve the goals in our School Improvement Plan.

As a school-wide Title I building, we are required to share a Student-Parent-Teacher Compact (agreement) with each family at Lowell. This agreement serves as a reminder for all of us to continue to work together to encourage student learning. Please review this agreement with your child.

Please contact me with any questions or concerns that you may have (262-070-1900). Thank you for your continued support as we work together to ensure success for all of our students at Lowell.

Sincerely,

Student-Parent-Teacher Agreement
