

Welcome back! We are once again continuing the “No Sell Fundraiser” due to the continued success we have had in the past. Instead of traditional selling of goods fundraisers where you sell items and the school only gets a small percent of the profits, the No Sell allows all

proceeds to go directly to support our children, educators and school. We hope you won’t miss selling cookie dough, pizzas, gift wrap and magazines.

While we have decided not to send our kids door-to-door selling goods, it is important to remember we still need to raise funds for Hillcrest Elementary School. The Hillcrest PTO sponsors and supports our children and 100% of the proceeds made go back to enrich our children’s education. Through the continued support from families, a new playground was purchased for the enjoyment of our children along with providing a free online family directory, helping with the cost of SMART Boards which are in all of our classrooms, cubbies in the hallways, benches in front of school & bell hallway, a portable scoreboard for the gym, school dances, movie nights and treats for our students on their May Day walk & Olympic Day. These funds also help teachers purchase additional items for our children and their classrooms that may not be covered by the school district (i.e. books & magazine subscriptions, additional apps, computer programs, and extra supplies) In addition PTO sponsors activities and extracurricular opportunities like Optimist Cross Country, swim program, JK Lee, Young Rembrandts and Run, Play, Run.

By helping the Hillcrest PTO to raise money for our school and ultimately our children, we can help give them extra opportunities, enriched educational experiences and support. If each family contributes a \$30 tax deductible donation we can raise enough to afford us the opportunity to continue to supplement the extras to enrich our children’s education. While \$30 dollars per family will help us to meet our goal in order to provide all these wonderful opportunities, any amount you feel comfortable giving toward our efforts will be greatly appreciated.

Please complete the bottom portion of this letter and return your tax deductible donation to school in an envelope labeled “No Sell Fundraiser”. Checks can be made payable to **Hillcrest PTO**. Please submit by **Friday, October 20th** to see if we can meet or exceed our goals. Donations will also be accepted at our Welcome day and Open House.

We hope that each family will be able to participate in this “No Sell Fundraiser” and provide financial support for our children’s education.

Please contact: Kim Smith (PTO President) (414) 333-7896 - email: ksmithpto@yahoo.com with any questions.
