Playground

Lee Recreation was present at the meeting to listen to ideas and start thinking about what is wanted on our playground.

- Will the low spot get fixed before winter so that there isn't ice all over the playground this year?
Mrs. Horn cannot guarantee this will happen
- Climbing equipment- well received, parents agree need more climbing parts
- Accessibility- materials used and "access for all" needs to be considered
- Conversation about reducing the size of the playground and increasing the size of the parking lot- less area to supervise and provides more spaces for staff
- Mrs. Horn discussed the possibility of having "turf" in an area of the playground
- Lee Recreation will take ideas and put on posters, show them to the kids, give sharpies to edit-pieces they like or don't like, then provide templates for fundraising efforts

Next Step: Lee Recreation and Mrs. Horn will connect and send information out about the playground and provide updates in the newsletter. Ideas can be out to everyone quickly. Lee Recreation will assist in fundraising ideas, marketing and signage.
