ATHLETIC AWARDS

Congratulations and Best Wishes to the Class of 2021!

Congratulations to all our student-athletes on your accomplishments this year - not only on the field or in the gym but in the classroom and in our community as well. Your coaches, teachers and school administrators are proud of how the Wolverines represent Waukesha West as a place where excellence in academics, athletics, leadership and character is encouraged, nurtured and valued.

Seniors, thank you for making your unique and unforgettable contributions to our athletic program and school. It is our hope that you will carry the lessons you've learned as an individual and as a team member and the memories you've made as a Wolverine with you for the rest of your lives. Thank you and congratulations again!
