SAFETY & SECURITY

The safety and security of all of our passengers on the buses or waiting at the Transit Center is very important to us. We take several safety measures including:

1. Security Cameras with audio are on all Metro Buses.
2. Security Cameras throughout the Transit Center that are monitored throughout the Metro service day.
3. Metro staff work out of the Transit Center Monday-Friday 8 am – 5pm.
4. Metro Security Guards patrol the Transit Center in the early morning and evenings Monday-Friday and on the weekend as well.
5. A supervisor is always on staff to assist drivers throughout the service day.
