

Dear North and South High School Parents or Guardians,

During this past school year, students were surveyed and asked about services that they felt would be a benefit. A number of students expressed an interest in a late activities bus. We appreciate student's ideas to better support them and are adding this service in the fall. It is our hope to continue this service throughout the year, however, that will be based on the amount of student ridership. We will monitor the cost of the program and the use of the activity bus, and make adjustments, if necessary, in the winter and spring.

**Days of Service:**

The activities bus will start on the first day of school and run until the last day. The activity bus will not operate on non-service days.

Fall – September 1 – November 10

Winter – November 13 – March 16

Spring – March 19 – June 8

**Pick-up and Location:**

The bus will operate once each day Monday – Friday. The bus will depart from the school at 5:30 PM each school will have an assigned designated location for loading.

South: In front on Roberta Ave

North: In front on Michigan Ave

**Student Drop off Locations:**

Drop off locations each day will be based on proximity to the nearest neighborhood bus stops. We anticipate dropping most students off at current bus stops or close proximity to those stops.

**Rates for Activity Bus:**

The season plan provides access to the bus Monday – Friday, during the student's fall, winter or spring sport at a cost of 50.00 per season / per student. A seasonal plan for a second child or each additional sibling is 25.00 per child. Example: For a family with 2 students participating in a fall, winter and spring activity the annual fee would be \$225.00.

For families who participate in the Free/Reduced Lunch program the cost for this service will be reduced to \$25.00 for the first student and \$12.50 for each additional student.

**How to Purchase Plans:**

If you are interested in this service, please complete the online request form by August 15th. We will accept request after August 15th, however, it will help our planning if requests are submitted as soon as possible. Fees will be applied to the student Infinite Campus account.
