

Juniors: PSAT Sign-Up Information

Attention Juniors

This is a National Merit Scholarship Qualifying Test that is open to all U.S. high school students. Students who take the PSAT/NMSQT in 11th grade typically can compete for recognition and scholarships, which honor academically talented students throughout the United States. Private organizations donate nearly \$180 million toward these scholarships.

The standardized test provides first hand practice for the SAT, which is similar to the ACT and used by many colleges and universities for admissions. It also automatically enters you in the National Merit Scholarship Corporation (NMSC) scholarship programs. Top Scores will be notified in the Fall of their Senior year.

Test Date: October 14, 2020

Time: 8:00am

Cost: \$17.00
