

Join the "Friends of the Horwitz- DeRemer Planetarium"

Year 2021 is going to be a gear shifter!

Membership Form

The "Friends" of the Planetarium was formed in January of 2000. It is a community organization for anyone interested in astronomy, space exploration and the effective use of the planetarium. It is also a support group for the ongoing activities, outreaches and the spread of science education to our community. Friend memberships run from 2021 Spring Equinox (Saturday, March 20th) to 2022 Spring Equinox (Saturday, March 20th) of that next year.

This year the planetarium is shifting its gears literally and revving up for what the future holds. Weekly Saturday Public shows have continued and Wednesday public shows have been added! The rest remains TBD!
