

WHAT WE ARE LEARNING THIS MONTH

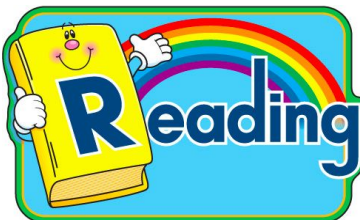

Earth's Systems and Changes

Addition & Subtraction

Informational Books

Digging Deeper
Into Informational Texts

NED Awards

Camden was so helpful to a friend during phonics!

Aubree is working very hard in reading!

Zander always has such a positive attitude!

Olivia is quite a reader - it must be all the books she is enjoying in class and at home!

Beckett is always closely listening during teaching times, carefully listening to both the teacher and what others in class are sharing.

Miscellaneous

- **Valentine's Day**

Valentine's Day is approaching and we can't wait to celebrate with the students! [Here](#) is a class list for each homeroom (2M-17 students, 2B-16 students). Each student can bring in a decorated box to hold their valentines. All students should bring their box and valentines to school by Wednesday, February 10th so they have time to "quarantine" at school prior to being passed out.

- **Parent-Teacher Conferences**

Please make sure to mark your calendar for our virtual parent teacher conferences. We will send out a link prior to conferences so you will be able to meet with us at your scheduled time. You will wait in the virtual waiting room until your scheduled conference time. Please see your child's homeroom teacher's sign up to review your conference date and time.

- **iPad Updates**

Please go into Settings on your child's iPad and check to see if any updates are available. Please update the iPad as necessary.
