

Kindergarten 2019

Literacy:

- We have been working on reading "just right" books in readers workshop, sounding out and spelling C-V-C words and using a variety of reading strategies in a variety of settings
- In writing workshop we've been working on creating our own "blank book" and "All About Me" stories where the students have the opportunity to be as creative as they would like with their stories. We're seeing AMAZING things from the kindergarteners!!!!

Celebration
