

Hello Meadowbrook Families,

Happy May. As we wrap up the school year, I thought I would share some summer reading programs to help students continue to learn and grow over the summer.

1. Join a summer reading program at your local library and visit the library often. Here is a link to the [Waukesha Public Library Summer Program](#).
2. Pizza [Pizza Hut](#) has a summer program to encourage summer reading.
3. [Barnes and Noble](#) has a summer program where student grades 1-6 may earn free books when they log reading minutes.
4. [Scholastic Books](#) has a reading program for students. Students can log reading minutes online
5. [Book It](#) has a summer reading program for students

Click on any of the above links and check out some fun options available to kids. Remember to read with your children and to make reading fun.
