

February 2019

Hello Meadowbrook Families,

I wanted to take this opportunity to share with you a Showcase Learning presentation that will be offered by Amanda Desua (School Guidance Counselor) and I. We have put together a slideshow presentation highlighting some of the Social-Emotional Learning opportunities our students have participated in this school year. We will be presenting on February 20th and 28th during the Showcase Learning Nights with presentations beginning at 4:30, 5:30, and 6:30. We will answer any questions that you have regarding Social Emotional Learning here at Meadowbrook School. We will be discussing curriculums as well as highlighting some of things our students are doing to promote positive behaviors in our school. Please feel free to join us at any time during the presentations, as we know you will be attending classroom conferences those nights also. We hope to see you there.
